JOURNAL
OFFICE OF LEGISLATIVE COUNSEL

Friday - 19 June 1964

1. [] After consultation with Mr. Walter Elder and [] FE Division, I advised David Martin, Assistant to Senator Thomas J. Dodd, that it was not possible to schedule a meeting for [] who is in town today [] with the Director or other appropriate senior official. I also indicated when pressed by Mr. Martin that our people are in contact with [] and that as a result it did not appear appropriate to arrange for a meeting's sake. However, if necessary, I would be very pleased to meet with [] Since I did not hear again during the day from Mr. Martin, the forgoing effort to discourage [] from remaining over the weekend for the purpose of meeting with the Director next week appears to have been successful.

2. [] After checking Mr. Bannerman's office and the Agency representatives who are appearing before the Moss Subcommittee, and after a poll of the Committee membership by Mr. Archibald, it was agreed to schedule completion of the hearings on Agency use of the polygraph for next Thursday and Friday, June 25 and 26. Although it is the earnest desire of the Chairman and of our people that this matter be concluded in one day, it was Mr. Archibald's request that two days be scheduled to try to minimize the danger of rescheduling should we be unable to meet next Thursday.

3. [] In meeting with Mr. Robert L. Michaels, Staff Assistant, Appropriations CIA Subcommittee, I advised him in response to his query that the matter of the printing building had been taken up with Mr. Vinson and the CIA Armed Services Subcommittee on Thursday, 18 June, and was endorsed by the Committee without reservation. Mr. Michaels indicated that he would now clear this item which had been held in abeyance by Mr. Mahon pending review of the authorization by Armed Services. (See Journal item of 9 June 64.)

4. [] Met with Mr. Russell Blandford, Chief Counsel, House Armed Services Committee, and separately with Mr. William Darden, Professional Staff Member, Senate Armed Services Committee. During the course of the conversation, I advised them that Chairman Mahon has designated Mr. Robert L. Michaels as Staff Assistant, Appropriations CIA Subcommittee.
